

AEIC® Facts at a Glance

Name: The Association of Edison Illuminating Companies

Established: 1885 by Thomas Edison and his associates

Vision Statement: To be valued as the premier operations-focused trade association in the electric energy industry.

Mission Statement: AEIC encourages research and the exchange of technical information and best practices through a committee structure staffed with experts from management of member companies, and focuses on finding solutions to problems of mutual concern to electric utilities worldwide.

- Power Delivery Human Resources
- Power Delivery Project Management
- Power Delivery Storm Team
- Power Delivery Cost Optimization

Resource Councils:

- Data Analytics Council

Staff:

- Len Holland, Manager, AEIC Services.....(205) 257-2373
- Greg Reardon, Manager, AEIC Technical Support...(205) 257-1817
- Regina Crump, Administrative Coordinator(205) 257-3839
- Lenese Eberhart, Administrative Assistant.....(205) 257-3839

Number of member company employees engaged in committee/subcommittee work..... 500+

Number of meetings/events held each year30

Disciplines/Topics Discussed - Best Practices Shared:

- Power Generation
- Power Delivery
- Safety
- Transmission
- Distribution
- Human Resources
- Service Restoration
- Smart Grid
- Research
- Fuels
- Industry Standards
- Distributed Energy Resources
- Customer Service
- Project Management
- Asset Management
- Underground Cable Systems
- Load Research & Analytics
- Meters and Metering Systems
- Microgrids
- Smart Meters
- Specifications/Guides
- Electric Power Apparatus
