Subject: AEIC - Update on AEIC's 2020 Annual Meeting

AEIC Annual Meeting Announcement

In the interest of safeguarding the general public, AEIC's members, and its working committees during the COVID-19 pandemic, the decision has been made to cancel the 2020 AEIC Annual Meeting, which was to be held in Charleston, South Carolina September 9 and 10, 2020.

We wish to thank the individuals and organizations that have been working with the AEIC staff to develop the 2020 Annual Meeting.

We also acknowledge the excellent efforts of our AEIC Committees, Subcommittees, and Data Analytics Council in pursuing new and innovative ways to continue their work to improve the electric system operation during this difficult time when face-to-face meetings are not possible.

The AEIC office will continue reporting telephonic and web-based events held by our operating workgroups as we look forward to the return to normal operations.

Please note on your calendars that AEIC's 2021 Annual Meeting will be held at The Breakers, Palm Beach, FL, November 2-4, 2021.

Thank you, again, for your continued support of AEIC.

Len Holland
Manager, AEIC Services
