AEIC® Facts at a Glance

Name: The Association of Edison Illuminating Companies
Established: 1885 by Thomas Edison and his associates
Vision Statement: To be valued as the premier operations-focused trade association in the electric energy industry.
Mission Statement: AEIC encourages research and the exchange of technical information and best practices through a committee structure staffed with experts from management of member companies, and focuses on finding solutions to problems of mutual concern to electric utilities worldwide.

Website: www.aeic.org

Member Companies: ......................................................180
(Including Subsidiaries)

U.S. Holding Companies: ..............................................29
U.S. Subsidiaries: ..........................................................120
U.S. Individual Companies: ............................................26
(Including Federal, State Cooperative & Municipal Members)

International Companies: ..............................................3
Associate Members: .....................................................2
2021 Officers:

*President* – Jim Greer (Oncor)

*1st Vice President* – William Fontenot (Cleco)

*2nd Vice President* – Werner Schweiger (Eversource)

*CEO* – Steve Hauser

*Past President* – Terry Donnelly (ComEd)

Board of Directors:

Committees and Subcommittees:

- Power Generation Committee
- Power Delivery Committee
- Electric Power Apparatus Committee
- Customer Service Committee
- Cable Engineering Committee
- Load Research & Analytics Committee
- Meter and Service Committee

Major Subcommittees:

- Power Delivery Distributed Energy Resources
- Power Delivery Human Resources
- Power Delivery Project Management
- Power Delivery Storm Team
- Power Delivery Cost Optimization

Resource Councils:

- Data Analytics Council

Staff:

**Steve Hauser**, CEO  
(205) 257-2530, shauser@aeic.org

**Len Holland**, Manager, AEIC Services  
(205) 257-2373, lholland@aeic.org

**Greg Reardon**, Manager, AEIC Technical Support  
(205) 257-1817, greardon@aeic.org

**Regina Crump**, Administrative Coordinator  
(205) 257-3839, rcrump@aeic.org

**Lenese Eberhart**, Administrative Assistant  
(205) 257-3839, leberhart@aeic.org

Number of member company employees engaged in committee/subcommittee work: .........................................................550+

Number of meetings/events held each year: ...........................................30

Disciplines/Topics Discussed – Best Practices Shared:
Power Generation          Distributed Energy Resources
Power Delivery            Customer Service
Safety                    Project Management
Transmission              Asset Management
Distribution              Underground Cable Systems
Human Resources           Load Research & Analytics
Service Restoration       Meters and Metering Systems
Smart Grid                Microgrids
Research                  Smart Meters
Fuels                     Specifications/Guides
Storm Restoration         Mutual Aid
Data Analytics            Vegetation Management
Robotic Process Automation Industry Standards
                                      Electric Power Apparatus
